NOTES—First Sheet.

SUBJECT No. 39.

Providing funds for the annual repairs of village roads.

Mr. Srinivasa Udupa, Nagar Taluk.

Messrs. Srinivasa Udupa and Hoskoppa Krishna Rao.—The roads constructed out of the funds of the Malnad Improvement Committee are now in utter disrepair and will be rendered altogether useless if neglected for some more years. The annual repair and maintenance of these roads do not form part of the Malnad Improvement programme. District Boards have not enongh funds to maintain even those roads which have a legitimate claim on their funds and much less can they attend to the repairs of these roads. So, if it is the intention of Government that District Boards should take up the work, additional grants for the purpose are necessary so long as the Malnad Improvment work continues or, at any rate, for five years to come. People in the Malnad have not yet realized either the usefulness of these roads or their own responsibility in the matter; and, in view of the large amount of money already spent on these roads and also of the fact that any new roads that may be considered necessary in future can only be constructed by means of loans to be specially raised for the purpose, some provision may be made for the maintenance of the village roads. The present grants to District Boards are insufficient and the Kadur District Board, for instance, have passed a resolution that, unless a lakh of rupees is given, the work of road maintenance cannot be taken up by them.

Mr. S. R. Balakrishna Rao and Venkateseaiya—Further these roads were not constructed after consultation with the District Boards and they are not prepared, therefore, to take up this responsibility.

First Member of Council.—This is a responsibility that District Boards ought to take upon themselves. If grants are insufficient, Government will be glad to consider any resolutions that may be submitted by District Boards or Improvement Committees asking for additional grants.

Dewan.—May be discussed in the Malnad Improvement Committee.

I do not know what the "Village Improvement Funds" referred to in the order are. There is no grant for Village Improvement Works in this years budget. I can not say if any grants can be given in the budgets of future years. That the cost of repair of roads made by the road Improvement Committee should be met from govt funds is a commitment which requires to be considered before it can be accepted. The order enunciates
